12th November 2026

White Ribbon Day 2026 – It Takes All of Us!

Dear Parents and Carers,

On Wednesday 25th November, we will be recognising White Ribbon Day, which promotes kindness, respect, equality and creating a world where women and girls feel safe.

This year's theme is **"It Takes All of Us"**, reminding us that everyone has a part to play in making a positive difference.

We would love you and your child to get involved in our **Family Message Challenge!**

What do you need to do?

At home, we are asking parents and children to create an **A5-sized postcard** together, sharing a positive message about kindness, respect, equality or making others feel safe and valued.

You can use any paper or card you have at home. Your postcard can include drawings, colourful writing, pictures or a special family message.

Here are some ideas to get you started:

- As a family, we can make the world a kinder place by…
- Respect means…
- Everyone deserves to feel…
- We can make someone smile by…
- One way we show kindness is…

Please return your completed A5 postcard to school by Friday 20th November 2026.

All postcards will be collected and brought together to create a special whole-school display celebrating our families' messages and reminding everyone that positive change starts with us.

White Ribbon Badges

We will also be selling White Ribbon badges on Wednesday 25th November for **50p each**. Children and families will have the opportunity to purchase a badge to show their support for White Ribbon Day and its message.

Further details about purchasing badges will be shared nearer the date.

There is no need to buy anything for the postcard activity – simply use materials you already have at home.

Remember, every message matters, and it really does take all of us!

Thank you for your support and for getting involved.

Kind regards

Mrs Sheikh
Family Support Worker and DDSL
