Headteacher: Miss Ashleigh Ferdinand

25 June 2026

Dear Parents and Carers

I am writing to provide an urgent update regarding our school opening arrangements. Unfortunately, the extreme weather conditions have escalated, and the Met Office has now extended the Red Weather Warning for extreme heat to include tomorrow, Friday 26th June.

In addition to this, the UK Health Security Agency (UKHSA) has issued a matching Red Health-Heat Alert for our region, indicating a significant risk to health.

As a result, Haydon Abbey School and Preschool will now remain closed to all pupils on Friday 26th June 2026.

This is not a decision that we take lightly, and we always try our absolute best to remain open. However, this is simply not possible under the current conditions. Despite our best efforts, we cannot keep the classrooms cool enough to guarantee a safe and comfortable environment for the children and staff. We do hope you and your children are keeping cool in this weather as much as possible.

Please note the updated arrangements for tomorrow:

- Remote Learning: Work and activities will be emailed to parents. If you would prefer a paper copy of the work, these will be available for collection from the school office between **9:00 am and 10:00 am on Friday 26th June.**
- Reopening: We fully expect the school and preschool to reopen as normal on Monday 29th June, as temperatures are forecast to decline over the weekend. We will write to you again on Sunday to confirm this.

We are incredibly sorry for the continued disruption and the short notice of this extension, but the safety and well-being of our pupils and staff must remain our absolute priority under these unprecedented conditions.

If you have any urgent queries, please contact the school office via email at office@haydonabbey.bucks.sch.uk.

Kind regards

Miss Ferdinand

Headteacher
