

The Elves and the Shoemaker

Home Learning Challenge

There are 2 shoes in a pair. Can you count how many shoes you have? Can you count how many shoes are in your house?

The elves were so kind to help the shoemaker. Can you do something kind for someone? Draw a picture of what you did and bring it into school.

Can you build a home for the elves to live in? How big would it be? What would they need inside? You could use old boxes or build it using building bricks.

Ask a grown-up to cut out some shapes from cardboard and put some holes along the side of the shape, all the way around. Use some string or wool to thread along the holes like the elves and shoemaker. What patterns can you make?
