

Elmer

Home Learning Challenges

At the Elmer's Day party, Elmer eats 8 cakes and then another 2. How many cakes does he eat altogether?

Elmer the elephant has lots of different colours. Draw or paint a picture of Elmer using all your favourite colours.

During the story, Elmer realises that he likes being unique and special. What makes you special? Are you very good at doing something? Are you kind, funny or helpful? Draw a picture of something that makes you special and unique.

Can you find out some facts about real elephants to share with the group? You could find out where they live, what they eat or what baby elephants are called. Ask an adult to help you use some books or the Internet to find out some information.

Elmer lives in the jungle with lots of other animals. Can you think of any other animals that live in the jungle? Try making some noises like different jungle animals, for your friends and family to guess! You could growl like a tiger, chatter like a monkey, roar like a lion or snap like a crocodile! Try doing some actions too!

Make a poster about Elmer's Day. Can you tell the other elephants that they need to decorate themselves with lots of colours and patterns? You could write your ideas and draw a picture of a colourful elephant too.
