Dear Parents & Carers

Haydon Abbey School have partnered up with Young Carers Bucks to provide support and raise awareness of young carers within our school and across the community. As your child is on our Young Carers list we would like to refer you to Young Carers Bucks where you can find additional support and resources. The support that they are able to offer is tailored to individual needs, however this may include access to Club nights, targeted support, group activities or 1:1 sessions. If you would like the school to make the referral for you please could you complete the below questions and return this form to myself via the school office.

Alternatively, you can refer yourself via the following link:-

If you require additional support to complete the below questions or would like to complete the referral in person with myself, Mrs Pawelczyk or our Family support worker Ms Sheikh please contact myself via the school office and we will be happy to set this up.

Kind regards
