

P E Intent, Implementation and Impact Statement

<i>Intent</i>	<i>Implementation</i>	<i>Impact</i>
<i>To deliver a rigorous and progressive Physical Education curriculum that is designed to challenge, inspire, and develop every pupil. We aim to nurture physical competence and confidence, ensuring all students build a broad and deep repertoire of fundamental movement skills.</i> <i>To develop essential personal and social qualities through the practical application of our school values: Cooperation, Honesty, Respect, and Well-being. PE lessons will provide purposeful opportunities for pupils to develop leadership, teamwork, ethical conduct, and emotional resilience, understanding how these values drive positive behaviour both within and beyond sports.</i> <i>To foster a passion for physical activity, allowing pupils to develop lifelong health and well-being. By exposing pupils to a rich and diverse range of physical activities and learning experiences, we empower them to understand the importance of an active lifestyle and develop the motivation and desire to participate independently for life.</i>	<i>Through a structured and progressive curriculum delivered in partnership with Future Games, who provide our high- quality lesson sequences, pupils are taught by professional coaches or their class teacher, ensuring that they receive engaging learning experiences.</i> <i>Teachers and coaches make relevant adaptations, to meet the needs of all pupils.</i> <i>Competitive and participation-based sports festivals, organised through our sports partnership, provide pupils with opportunities to take part in a wide range of sporting activities.</i> <i>Regular inter-house competitions are scheduled throughout the year to enrich pupils' experiences of teamwork and friendly competition.</i> <i>A variety of external sports clubs are invited into school, broadening pupils' exposure to different sports.</i> <i>During lunchtimes, a wide range of equipment is available, and trained Year 5 and 6 'Sports Leaders' deliver organised activities, ensuring pupils have access to at least 30 minutes of active play each day.</i> <i>Beyond the curriculum, we offer a broad programme of extra-curricular activities that reflects pupils' interests and encourages continued engagement in physical activity.</i>	<i>Pupils will develop strong foundational skills and a deepening understanding of physical activity as they move through school.</i> <i>All pupils will benefit from high-quality, engaging lessons that promote enjoyment, motivation and sustained participation.</i> <i>All pupils will receive meaningful opportunities to engage in activities that build confidence and foster a genuine enthusiasm for movement.</i> <i>External sports clubs will give pupils the chance to explore a broad range of sports and discover new interests.</i> <i>Through regular inter-house competitions and after-school activities further strengthen teamwork, cooperation and friendly competition across the school.</i>
