Dear Parents and Carers,

As we approach the end of the school year, we are preparing to conduct a full inventory of all our reading and library books during the summer term. This ensures that our shelves are fully stocked and organised ready for the Autumn term.

To help us with this, **please ensure that all Haydon Abbey library and reading books are returned to your child's class teacher by Friday 26th June.**

Why this is important:

- **High Replacement Costs:** High-quality books are very expensive to replace.
- **School Budget Impact:** Lost books cost the school a significant amount of money—funds that could otherwise be spent on resources to support your children's learning.
- **Potential Charges:** Please note that if books are not returned by the deadline, **the school will need to issue a charge to parents to cover the cost of replacement.**

What to look for: Please take a few moments to check under beds, behind sofas, and on bookshelves at home for any school books that may have slipped through the cracks!

Thank you so much for your cooperation, support, and help in keeping our school library vibrant and well-resourced for everyone.

Warm regards,

Miss Ferdinand
