Dear Parents and Carers

We would like to share with you our approach to sensory support and the use of fidget toys or other sensory equipment at Haydon Abbey.

We understand that some children benefit from having sensory tools to help them focus and feel calm in the classroom. However, we ask that children **do not bring in their own sensory items or fidget toys from home**. These items can sometimes cause distraction for others, become lost or damaged, and may not always be suitable for the classroom environment.

If you feel that your child would benefit from sensory support in school, please speak to your child's class teacher or to the SENDCo team. We will work together to provide appropriate and effective resources that can be used in class to support your child's learning and wellbeing.

Thank you for your understanding and support in helping us to create a calm and focused learning environment for all children.

Yours sincerely,

Mrs S Pawelczyk

SENDCo
