14th October 2026

Dear Parents and Carers

Pre-School Children - 3 & 4 Year Olds

We wanted to give you some more information, ahead of tomorrow's parent involvement session. Pre-school are delighted to invite you to our 'Grown-up Group Time' event.

Throughout the year, we like to invite you in, to focus on one of the three Prime Areas in the Early Years Foundation Stage; Communication and Language, Physical Development and Personal, Social and Emotional Development.

The session will be based on **Physical Development**, both gross motor and fine motor. We expect the session to run for around 45 mins, beginning with a short talk about how we develop their physical skills.

You will be able to observe your child joining in with a typical group time based around this area of learning, followed by the chance to explore the setting, playing with your child with activities that promote their physical development.

Event:	Parent Involvement Session
When:	Thursday 15th October
Time:	At the beginning of your child's session.
Drop off your child at the gate and head round to the Reception area, where we will welcome you in. **This session is not appropriate for siblings to attend.**	

We look forward to seeing you there!

Kind regards,

Mrs Howell
Assistant Headteacher
